

Maryland Broadband Cooperative, Inc. awarded Miss Utility Locations Contract

The Metropolitan Commission is pleased to announce that beginning August 14, 2023, the Metropolitan Commission will be utilizing Maryland Broadband Cooperative, Inc., a not-for-profit organization, to perform all utility locations (Miss Utility) for the existing water and sewer facilities. The contractor will be representing the Commission and will be identified as an authorized agent. If you see them in the Community, they are working hard to help protect the Commission's infrastructure from damage. If you have any questions, please do not hesitate to contact us at 301-737-7400 (Extension 301). For additional information on the Miss Utility program, please visit our website using the link below.
